

MEN'S HEALTH: **The Road to High Quality Health Care**

Satellite Conference and Live Webcast

Thursday, June 21, 2012, 10:00 a.m.-12:00 p.m. (Central Time)
11:00 a.m.-1:00 p.m. (Eastern) ■ 9:00-11:00 a.m. (Mountain) ■ 8:00-10:00 a.m. (Pacific)

June is National Men's Health month! Screenings, health fairs, and other educational outreach activities are highlighting the importance of regular health check-ups among men and boys. It's no secret men seek medical attention far less than women, but early detection and treatment are key components to living longer lives. Program faculty will discuss some of the health issues impacting men and how they can become more proactive at leading healthier lifestyles.

PROGRAM OBJECTIVES

1. Provide an overview of Alabama Department of Public Health initiatives observing National Men's Health Month.
2. Discuss the top 10 health issues affecting men in Alabama.
3. Explain the benefits of the Affordable Health Care Act and its impact on men.
